

**Name:** Brian E. Wagner, P.E.  
**Title:** Managing Director  
**Company:** Wagner Group, LLC

## **Biography**

Brian Wagner, P.E. is an engineer who specializes in civil site design and plan implementation. In addition to a career spanning nearly two decades of civil engineering, he has experience in Emergency 911 Communications, law enforcement corrections, and fire/rescue services including K9 Search and Rescue. This different and diverse range of experiences has prepared Brian for his career, but also positioned him to be an excellent speaker with a wide range of valuable experiences. He strives to motivate others to change their world and wants to do the same for you and your organization.

## **Introduction**

*[This can be used at your discretion but is a preferred version for a read introduction at the event.]*

Brian is an engineer who specializes in civil site design and plan implementation. With nearly 20 years of experience in civil engineering and with time in both the public and private sectors, Brian is positioned with a perspective unlike anyone else's. His goal in life is to help others improve the quality of their work while having a positive impact on the world we live in.
